NOTES TO FINANCIAL STATEMENTS

1. Summary of Significant Accounting Policies

A. Accounting Practices

The financial statements of Physicians Health Choice of Arkansas, Inc are presented on the basis of accounting practices prescribed or permitted by the Arkansas Department of Insurance.

The Arkansas Department of Insurance recognizes only statutory accounting practices prescribed or permitted by the State of Arkansas for determining and reporting the financial condition and results of operations of an insurance company, for determining its solvency under the Arkansas Insurance Code. The National Association of Insurance Commissioners' (NAIC) Accounting Practices and Procedures manual, (NAIC SAP) has been adopted as a component of prescribed or permitted practices by the State of Arkansas. The state has adopted certain prescribed accounting practices that differ from those found in NAIC SAP. As of June 30, 2010, the Company did not have any balances or transactions that were affected by these differences. The Commissioner of Insurance has the right to permit other specific practices that deviate from prescribed practices.

B. Use of Estimates in the Preparation of the Financial Statements

The preparation of financial statements in conformity with Statutory Accounting Principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities. It also requires disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the period. Actual results could differ from those estimates.
